HOW IT WORKS

Cooperative purchasing is "Procurement conducted by, or on behalf of, one or more Public Procurement Units" as defined by the American Bar Association Model Procurement Code for State and Local Governments.

Sourcewell's analysts streamline the procurement process by developing RFPs and IFBs for national, competitive solicitations that meet or exceed local requirements. Our rigorous process is continually refined to best meet the needs of participating agencies and allows us to offer exceptional products from nationally acclaimed suppliers.

1

Register

Government agencies, schools, universities, and nonprofits, can quickly and easily register to participate for free. There are no fees to use our contracts, no commitment, and no obligation to purchase.

2

Find a Contract

Sourcewell has hundreds of awarded supplier contracts in a wide variety of industries including Public Safety. You can quickly search contracts by product type, or browse contracts by state and county.

3

Contact Safeware

Utilize the Public Safety contract to quickly obtain a quote, and finalize the sale with Safeware using contract number 080922-SAF and your agency's Sourcewell account number. It's that easy!

For more information, please contact:
